

Chairman's Challenge 2012

For the Dave Benham Memorial Cup

Construct a detailed scenic diorama in a

Foolscap box file

with connections in & out

to connect up with other entries

(Leave a gap at the rail end to accept the standard joiner)

Could they become a small exhibition layout?

See example of plan attached

TO BE JUDGED BY THE CHAIRMAN

on

WEDNESDAY 28TH NOVEMBER 2012

Best of luck and let's get modelling
